You should obtain a status document from HM Customs and Excise (C&E 386 - [Payment of charges due on Motor Vehicle brought permanently into the UK]; or 388 - Motor vehicles brought permanently into the UK under a Customs Relief) and follow the directions for registration, licensing and insuring the vehicle in Section VIII of Customs Notice 3 as appropriate. You can obtain these forms from your nearest Excise and Inland Customs Advice Centre - you will find their address in the phone book under 'Customs'.
